

INTO THE WILD FRONTIER

INTO THE WILD FRONTIER SEASON 3

INTO THE WILD FRONTIER 301 “Christopher Gist: Unsung Hero of the First Frontier”

Premiere date: June 10, 2023

After mapping the rugged Ohio Country, frontiersman and surveyor Christopher Gist accepts a new mission: lead a young George Washington to a remote French fort in the Ohio wilderness on a diplomatic journey which may change the course of history.

INTO THE WILD FRONTIER 302 “Anne Bailey: Horseback Heroine”

Premiere date: May 6, 2023

After Anne Bailey's husband is killed by Native Americans, she defies the social norms of the frontier and becomes a horseback courier, risking her life to race through hostile territory delivering vital supplies to isolated forts and settlements.

INTO THE WILD FRONTIER 303 “George Croghan: Frontier Peacemaker”

Premiere date: June 17, 2023

When Chief Pontiac organizes a coalition of Native American tribes to attack British forts, frontier trader George Croghan risks his life on a perilous journey into the wilderness to find Pontiac, negotiate a peace agreement, and prevent all-out war.

INTO THE WILD FRONTIER 304 “James Harrod: Kentucky’s Founding Father”

Premiere date: June 3, 2023

When frontiersman James Harrod founds Harrod's Town on Native American hunting grounds in Kentucky, he soon finds his new settlement under attack. His leadership is tested as he defends the first European settlement west of the Appalachian Mountains.

INTO THE WILD FRONTIER 305 “Mason & Dixon: Trailblazing Surveyors”

Premiere date: May 27, 2023

English astronomers Charles Mason and Jeremiah Dixon brave deadly terrain and hostile Native Americans to resolve a border dispute in Colonial America. With science and courage, they survey their famous Mason-Dixon Line with pinpoint accuracy.

INTO THE WILD FRONTIER 306 “Robert Rogers: Frontier Soldier”

Premiere date: June 24, 2023

Robert Rogers leads an elite fighting force of fearless rangers behind enemy lines to fight French forces in Colonial America, but one mission tests his men as never before when they must trek 200 miles through the wilderness without food.

INTO THE WILD FRONTIER 307 “William Bartram: America’s First Great Naturalist”

Premiere date: May 13, 2023

Naturalist William Bartram explores the unmapped regions of the South to document the native fauna and flora. After surviving many encounters with Native Americans and wildlife, it's an invisible virus that may finally end the journey and his life.

INTO THE WILD FRONTIER 308 “Daniel Boone: Cunning Woodsman”

Premiere date: May 20, 2023

Legendary frontiersman Daniel Boone faces the biggest challenge of his life when the Shawnee take him prisoner. He must find a way to escape and travel 160 miles through hostile territory to warn Boonesborough, and his family, of a looming attack.
